**Starts Development in
Very Small and Micro
Enterprises: Issues for
Policy and Practice**

Simon McGrath

Presentation to a HSRC-NSF Workshop

Pretoria

November 30th 2004

HSRC RESEARCH OUTPUTS
3256

**1. How suitable are Strategic
Projects as a vehicle to reach
the smallest enterprises?**

2. What is the appropriate relationship between SETAs and the NSF in supporting VSME skills needs?

**3. How best can skills
development interventions be
combined with financial
support and business
development services**

**4. How can informal training
best be supported and
enhanced?**

5. How can it be made easier
for VSMEs to access formal
training?

**6. How can selection for and
targetting of formal training
for VSMEs be improved?**

**7. How can public providers
play a more positive role in
supporting VSME
development?**

**8. How can SETAs improve
their image amongst
VSMES?**

**9. How can SETAs improve
VSM E access to grants?**

**10. How can positive
sentiment about learnerships
be capitalised on?**
