THE PROBLEM

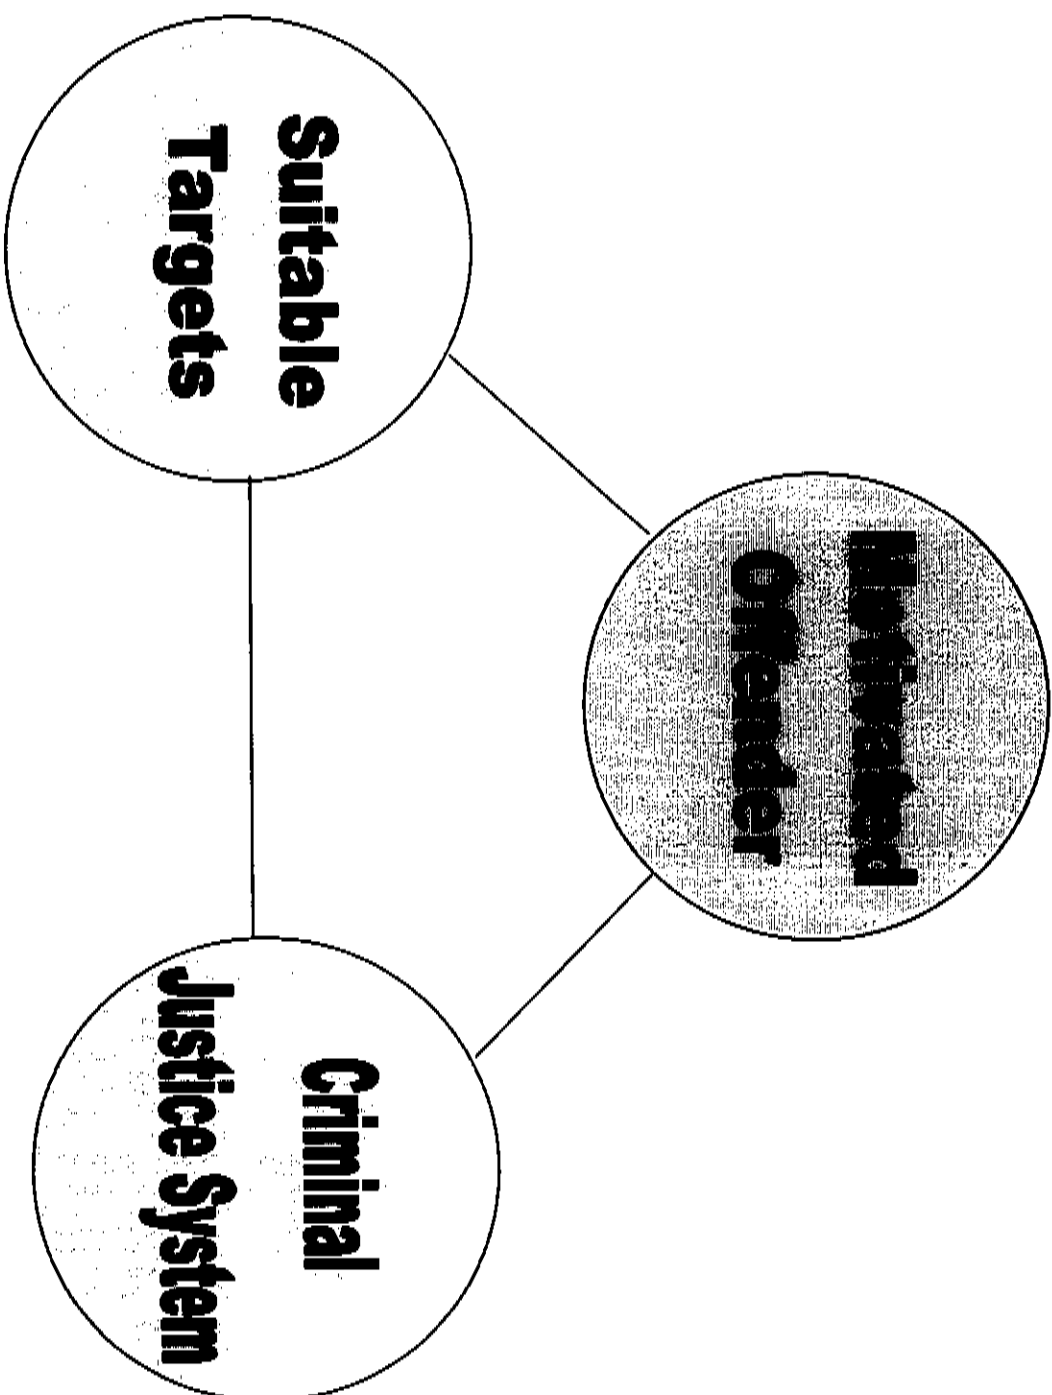

- **"South Africa - crime capital of the world"**
 - ◆ **murder rate - highest in the world - 6 times that of the United States**
 - ◆ **rape rate - on the increase and the worst in the world**
 - ◆ **car hijackings - Gauteng's nightmare**
 - ◆ **use of violence and guns are increasing**
- **Understanding the causes of crime**
- **Alcohol and drug abuse a major cause?**
- **The need for information**

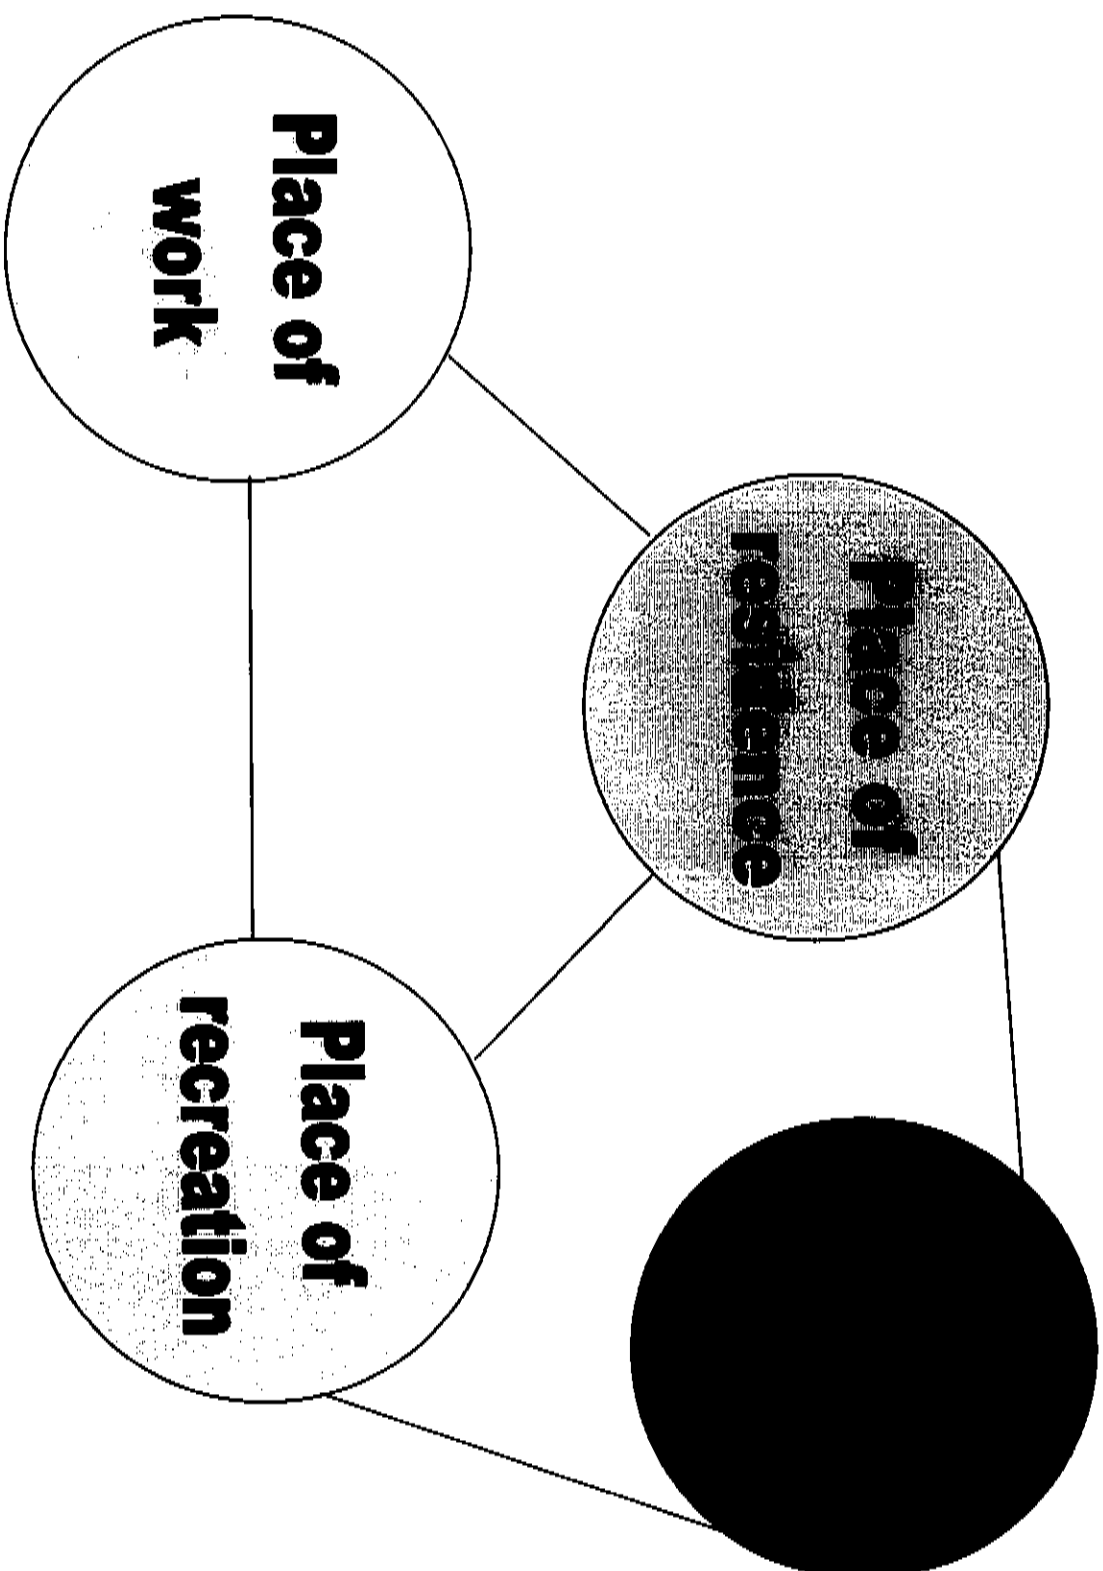

CRIMINAL ACTIVITY THEORY

CRIMINAL ACTIVITY THEORY

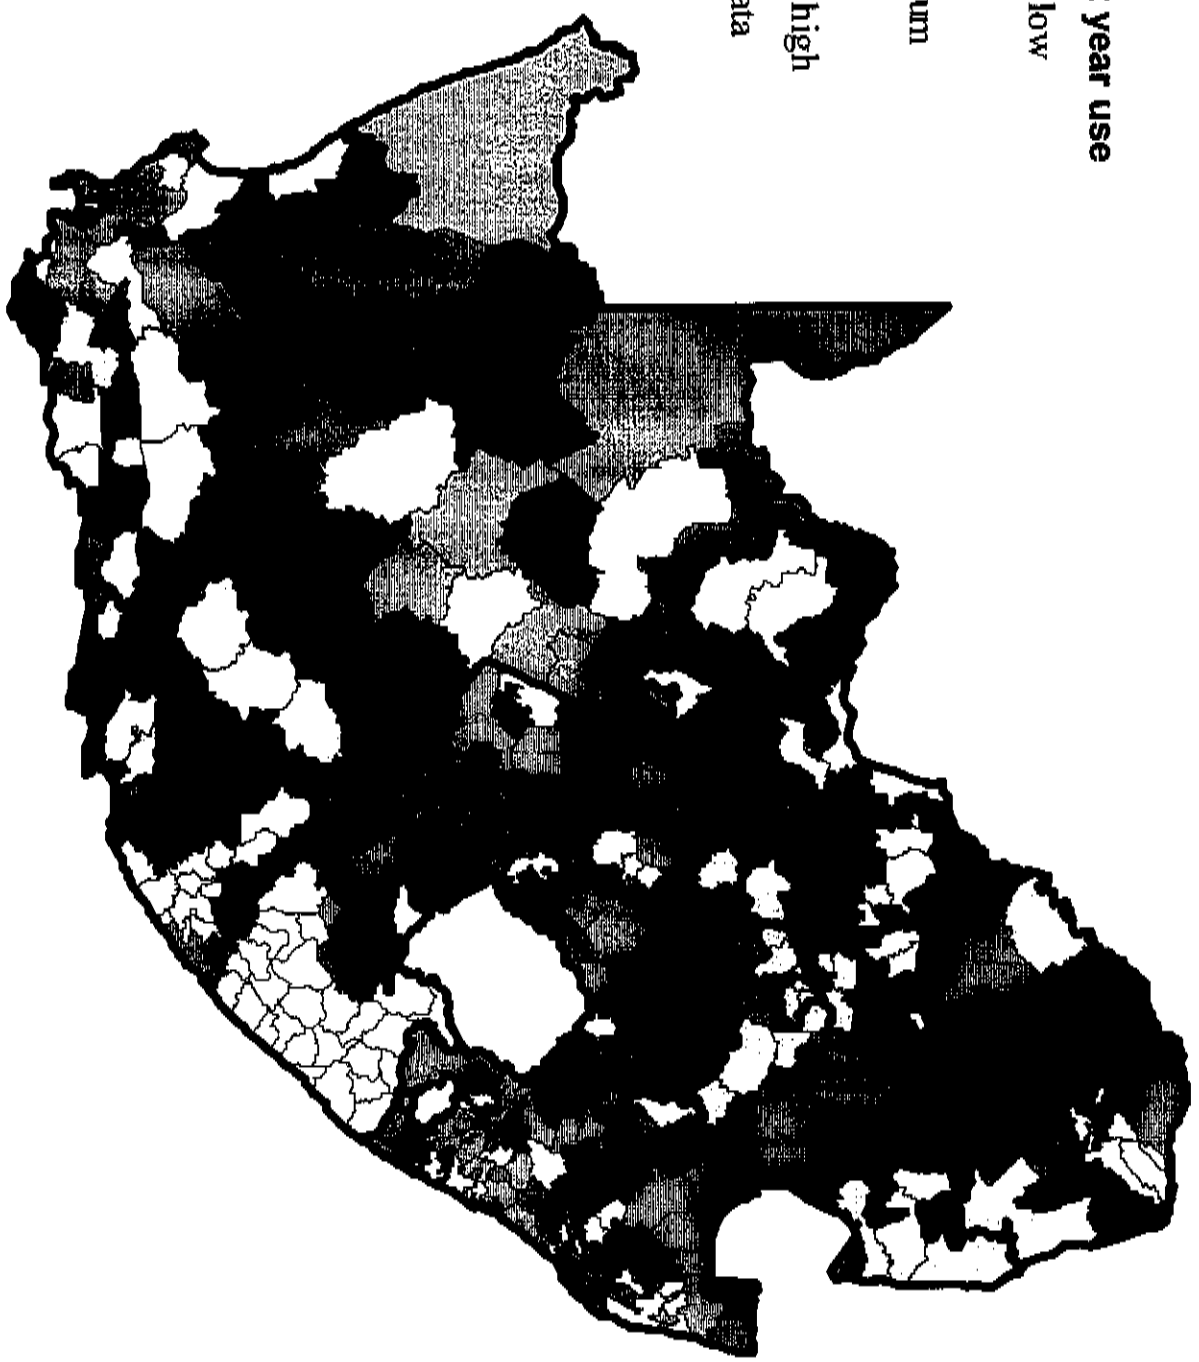

MOBILE AGILITY THEORY

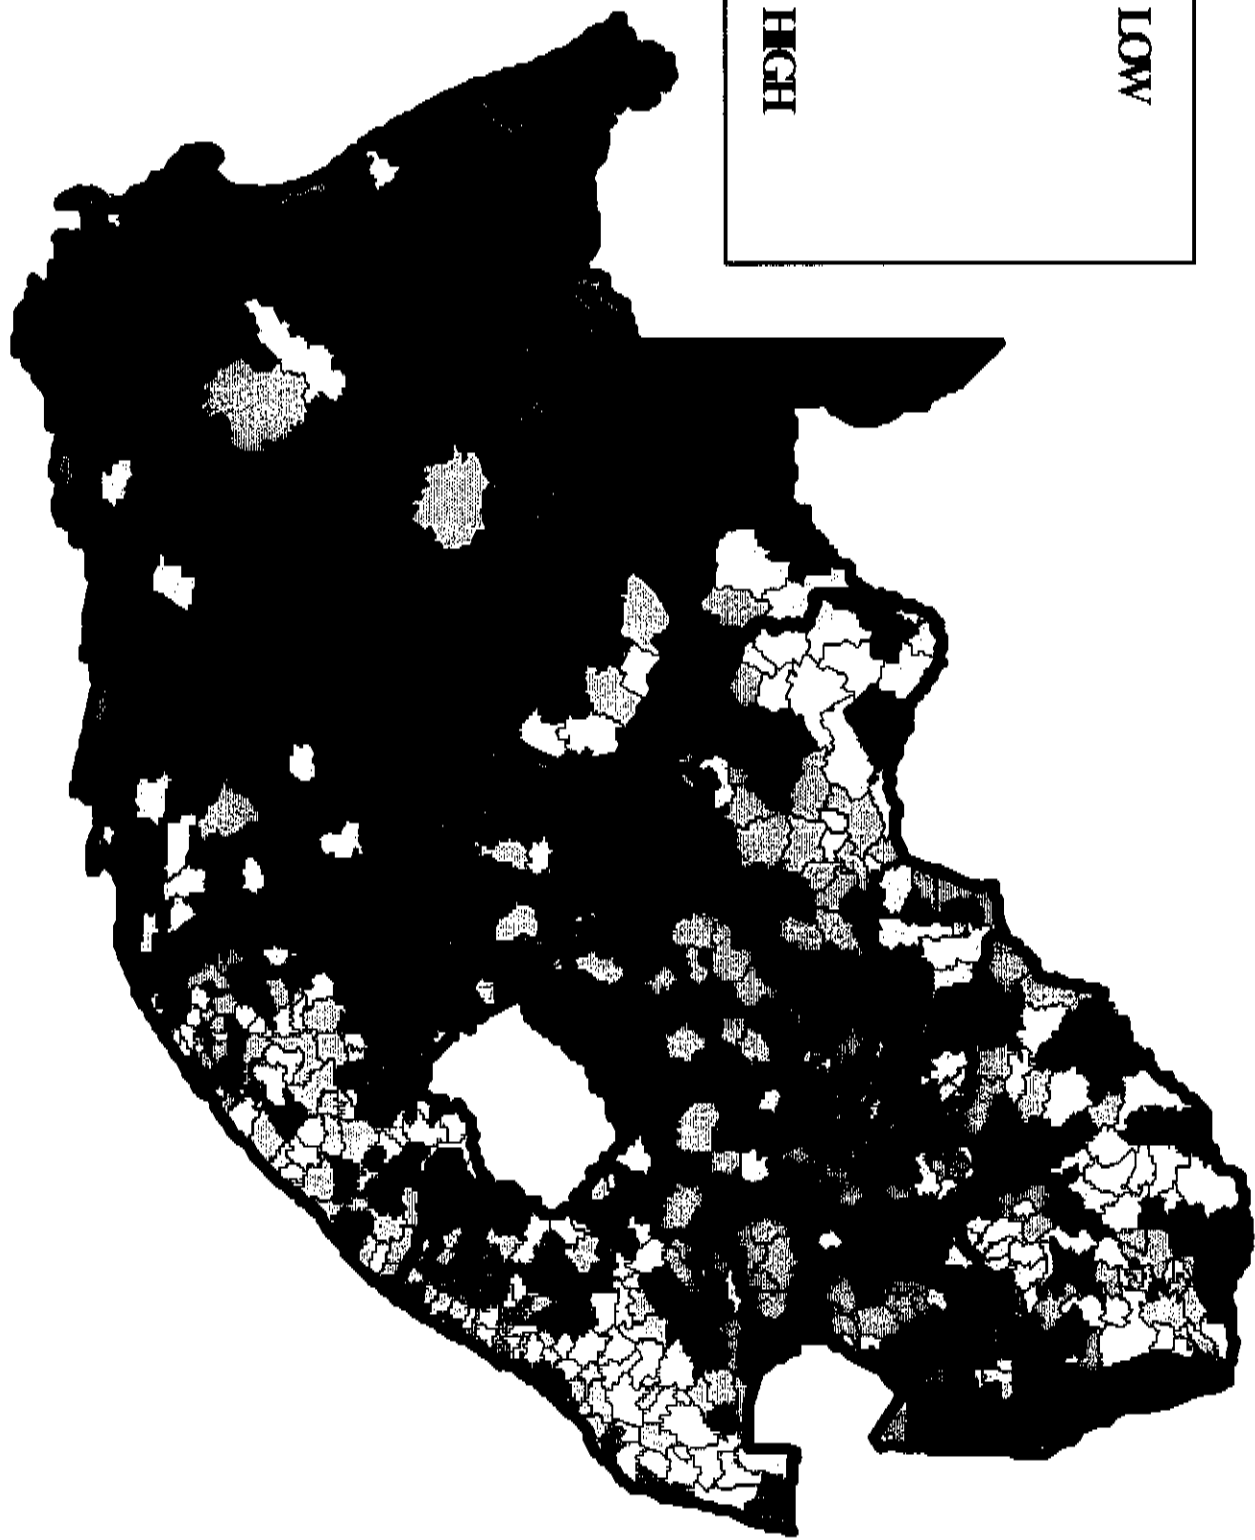

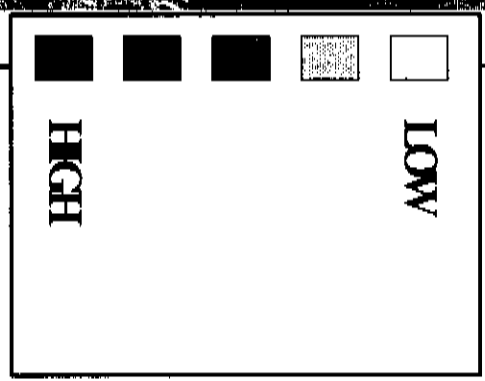

POTENTIALLY HIGH RISK AREAS

Past year use

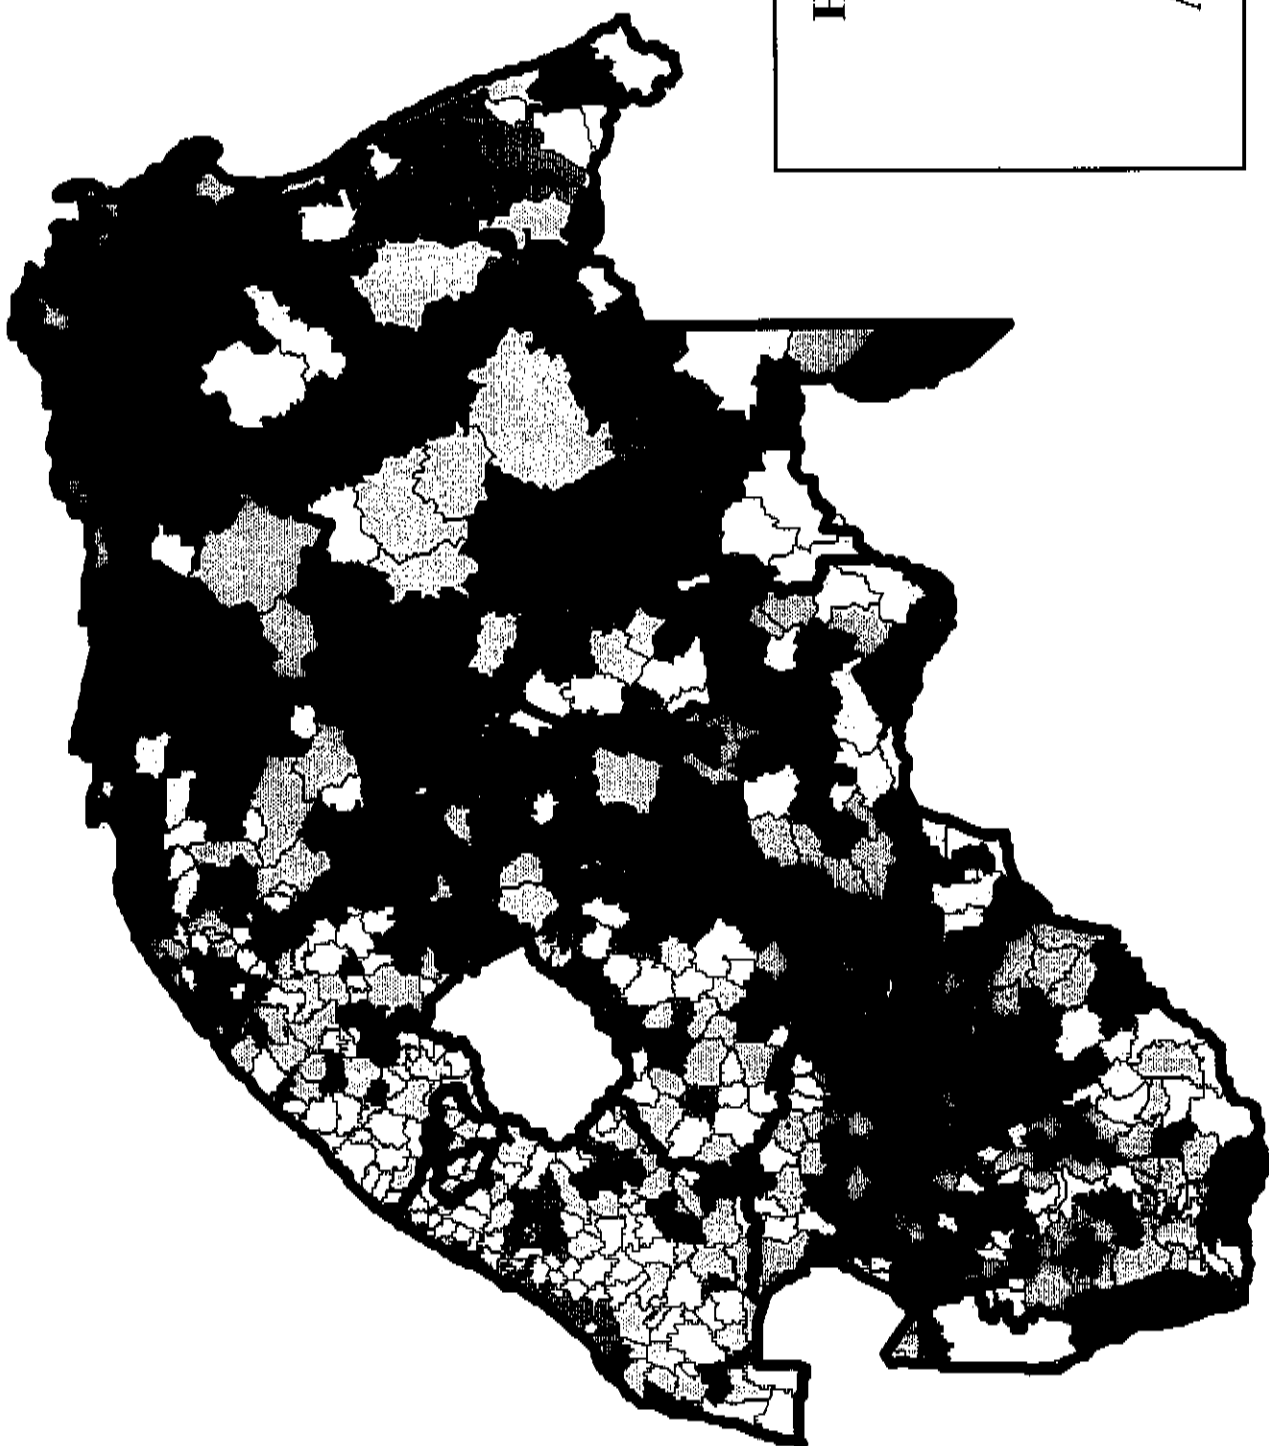

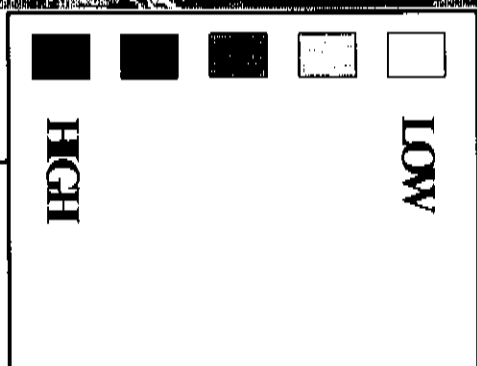

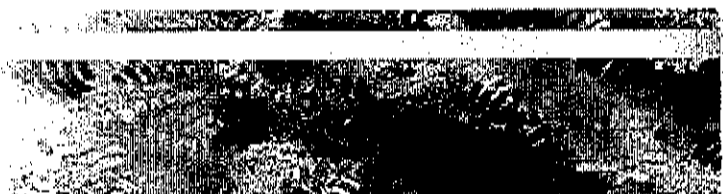

- Very low
- Low
- Medium
- High

PRESENT RESEARCH

SA-ADAM: National survey of drug use amongst arrestees

- **International collaboration**
- **Participation of the South African Police (SAPS)**
- **Interviewing 2 000 arrestees in 200 police stations in South Africa**
- **Testing the nexus between crime and substance abuse**
- **Creating a national system for monitoring substance abuse**
- **Providing the information needed for informed policies and intervention**
